

PPHOA

approved mailboxes

**Mayne White Dover Post** – It is the one with the newspaper box attached. Can be purchased at [Home Depot](#), [Budget Mailboxes](#) , and [Amazon](#)

If replacing the mailbox, you must use the following black metal mailbox.

**Gibraltar Large Black Metal Mailbox** - It is 22 inches deep, eight inches wide and 10 inches in height at the door.

It can be purchased at [Home Depot](#), [Lowe's](#) and [Amazon](#).

If the links do not work, do a search on the name of the product.

House numbers must be included on each side of the newspaper tube portion of your post for emergency personnel and mailbox carrier identification. Numbers should be centered, running left to right and be 3"-4" tall in black lettering.
